

Risk Assessment

Risk Assessment	This risk assessment has been compiled to minimise the risks highlighted and be compliant with all known legislation at the time of completion.			 <small>SCHOOLS IN PARTNERSHIP</small> STEPHENSON <small>MULTI ACADEMY TRUST</small>
Site:	Rainhill High School & Sixth Form			
Identified Risks:	The protection and wellbeing of staff and students in relation to COVID-19 (Coronavirus).			
Agencies Consulted	<ul style="list-style-type: none"> • Department for Education - https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools • Department for Health • Unions – NEU, NASUWT, Unison • St Helens Health & Safety Department • AfPE • CLEAPSS • St Helens Diabetes Nursing Team • Diabetes UK • Asthma UK • Institution of Occupational Safety and Health (IOSH) – Returning safely to schools • Health and Safety Executive • Merseytravel 			
Date of assessment:	24/08/2020 – V1 11/09/2020 – V2 06/10/2020 – V3 20/10/2020 – V4	Approved by:	Board of Trustees	Review date: This risk assessment is reviewed weekly with any changes being documented as a new version in the 'date of assessment' box
Queries:	Any queries regarding the content of this risk assessment should be directed to Rob Owens (Rob.Owens@rainhillhigh.org.uk)			

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
<p>Inadequate planning prior to opening</p>	<ul style="list-style-type: none"> • Staff • Pupils • Contractors • Visitors <p><i>May feel tension and stress as a result of poor planning and not having robust arrangements in place to protect all from contracting and spreading COVID-19</i></p>	<ul style="list-style-type: none"> • Health and safety compliance checks will be undertaken by Chief Operating Officer and Site Manager before opening. • HR Manager will ensure health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. • Chief Operating Officer to keep up to date with the latest government guidance and adjust working practices as required. • Staff briefed on the control measures within this risk assessment and changes to policies and procedures. • Rigorous checks carried out by the Chief Operating Officer and Senior Leadership Team to ensure that all the necessary procedures are being followed. • All stakeholders (e.g. staff, parents, trustees, governors, union representatives' community users etc.) will be kept updated regarding any changes to the risk assessment in response to any legislative and/or recommended guidance issued by the Government. • Chief Operating Officer and other members of Senior Leadership Team will be present around the school during the early part of wider opening to pick up on any issues or problems and support and reassure staff and students. • Contractors who work on the site regularly will be briefed on the control measures within this risk assessment and changes to policies and procedures. • Visitors including Specialists, therapists, clinicians and other support staff for pupils with SEND will be 		<p>02/09/2020</p>

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		briefed on physical distancing and hygiene procedures for the school site on or before arrival.		
Lack of Awareness of Coronavirus / inadequate communication of plans	<ul style="list-style-type: none"> • Staff • Pupils • Visitors • Stakeholders <p><i>May feel tension and stress as a result of poor planning and not having robust arrangements in place to protect all from contracting and spreading COVID-19</i></p>	<ul style="list-style-type: none"> • All stakeholders (e.g. staff, parents, trustees, governors, union representatives' community users etc.) have been contacted with a copy of the draft risk assessment and invited to comment on it if they wish to prior to the final risk assessment being agreed by Trustees. • All staff will be asked to complete the COVID-19 awareness and protection module on the school's Smartlog health and safety system. • Staying COVID-19 Secure in 2020 poster displayed upon entrance to the school to confirm the premises have complied with the government's guidance on managing the risk of COVID-19. • Staff briefed on the agreed risk assessment to ensure they have a good understanding of the required measures that are being put in place. • Plans for re-opening clearly communicated to parents and carers (via an email and video), including what protective steps the school/setting has taken to make it a low risk place for their child, with regular updates provided as necessary. • Plans for re-opening clearly communicated to contractors (via email) to ensure they have a good understanding of the required measures that are being put in place when attending/working on site. 		02/09/2020

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> Plans for re-opening will be included in 'form time' resources for students and integrated in PSHE lesson plans where appropriate. Reminders of key hygiene and distancing measures (including the government's 'Hand's, Face, Space' awareness campaign) to be reinforced via posters around site, messages on our info screens, announcements via our tannoy system and articles in the student and staff newsletters. A laminated 'daily reminder card' containing key messages for staff and students will be displayed on each teacher's computer screen to reinforce key daily hygiene and distancing messages. 		
Contact with coronavirus when getting to and from school	<ul style="list-style-type: none"> Staff Pupils Contractors Visitors <p><i>May become infected by coming into close contact with someone who has COVID-19, by respiratory droplets produced when</i></p>	<ul style="list-style-type: none"> Everyone will be encouraged to walk or cycle into school, and warned to avoid taking public transport during peak times. For anyone who needs to take public transport, they'll be referred to government guidance and guidance provided by our bus service provider - Merseytravel Whilst designated as a Tier 2 or 3 area - Students using school buses and public transport to be informed that the wearing of a face coverings for the duration of the journey is mandatory (with the exception of those who have a medical condition and who therefore are exempt) Whilst designated as a Tier 1 area - Students using school buses to be encouraged to wear face 		02/09/20

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
	<p><i>an infected person coughs, sneezes, or talks; or by touching a surface or object that has the virus on it, and then touching their mouth, nose, or eyes</i></p>	<p>coverings with those using public transport being informed they are mandatory (with the exception of those who have a medical condition and who therefore are exempt)</p> <ul style="list-style-type: none"> • Anyone wearing non-disposable face coverings when arriving to school will be expected to bring a plastic bag to keep these in during the school day, with the exception of lesson changeover and in indoor communal spaces (if social distancing is hard to achieve) where it is mandatory (whilst designated as a Tier 2 or 3 area) that a face covering be worn, with the exception of those who have a medical exemption. <p><i>It should be noted that the school will provide appropriate face coverings where students/staff do not have one but require one.</i></p> <p>For pupils that will need to be dropped off and picked up, parents will be told through messages in the parent newsletter, via Edulink and signage at the front of school:</p> <ul style="list-style-type: none"> • That students may be dropped off between 8am and 8:45am • When dropping students off, parents should come in the main entrance gates, pause at the designated 'dropping off zone' at the front of school for minimum amount of time possible before exiting via the exit gates. 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • That they should, under no circumstances, get out of their car or remain on site for longer than is necessary to drop their child off. • Not to gather at entrance gates or doors. • If they have a pre-arranged appointment to park in the main car park and enter the school via the main reception whilst maintaining a distance of at least one metre from everybody else. • Anyone wearing non-disposable face coverings when arriving to school will be expected to bring a plastic bag to keep these in during the school day, with the exception of lesson changeover and in indoor communal spaces (if social distancing is hard to achieve) where it is mandatory (whilst designated as a Tier 2 or 3 area) that a face covering be worn, with the exception of those who have a medical exemption. • Should a 'local lockdown' be imposed in either St Helens or a neighbouring authority from which any of our students and/or staff travel from, Government guidance will be reviewed to see who may continue to access school/work. In the absence of any guidance, Rainhill High School will operate on the basis that, unless St Helens is in 'lockdown' then any student or staff member from any other area may access the school for the purpose of attending work/school. Should St Helens be in 'lockdown' then only those deemed as vulnerable or who are the children of key 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		workers will be able to access the school in addition to the minimum amount of staff required to operate the school for those students.		
Contact with someone suffering from coronavirus	<ul style="list-style-type: none"> • Staff • Pupils • Contractors • Visitors <p><i>May become infected by coming into close contact with someone who has COVID-19, by respiratory droplets produced when an infected person coughs, sneezes, or talks; or by touching a surface or object that has the virus on it, and then touching their mouth, nose, or eyes</i></p>	<ul style="list-style-type: none"> • On entry to the site, all visitors and contractors will have their temperature taken and be asked whether they, or anybody in their household, has had symptoms of Coronavirus within the past 7 x days. If they answer yes to any question or if they have a high temperature, then they will be sent home and a deep clean of the areas they have come into contact with will take place. • A direction to not come into school and follow official <u>self-isolation guidance</u> will be given to anybody who is experiencing Coronavirus symptoms or where anybody in that person’s household is. • If a symptomatic person comes into school, they will be sent home immediately or isolated, in meeting room 3, until they can be picked up. 999 will be called if they are seriously ill or injured or their life is at risk. • The following Government guidance will be used in relation to action to be taken in relation to someone who has symptoms of Coronavirus - this guidance. <p>In the case of a symptomatic pupil or staff member who needs to be supervised before being picked up:</p> <ul style="list-style-type: none"> • Supervising staff will, if possible, maintain a distance of two metres from the pupil or staff member with symptoms 		02/09/20

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • Supervising staff will wear disposable gloves and a disposable apron • If there's a risk of splashing to the eyes, such as from coughing, spitting or vomiting, supervising staff will also wear eye protection • Supervising staff will wash their hands thoroughly for 20 seconds after the pupil or staff member has been picked up. • A deep clean will take place in the areas that the symptomatic person has been in, and PPE will be disposed of properly, following decontamination guidance. • If a pupil or a staff member working with pupils tests positive for coronavirus, those deemed as contacts will be sent home and advised to self-isolate for 14 days (as will any staff member who looked after them in school while they were symptomatic). <p>Contacts are, according to Public Health England, defined as:</p> <p>A person who has been close to someone who has tested positive for coronavirus (COVID-19) anytime from 2 days before the person was symptomatic (or tested positive if asymptomatic) up to 7 days from the test or the onset of symptoms. For example, a contact can be:</p> <ul style="list-style-type: none"> • People who spend significant time in the same household as a person who has tested positive for coronavirus (COVID-19) 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • A person who has had face-to-face contact (within one metre), with someone who has tested positive for coronavirus (COVID-19), including: being coughed on, having a face-to-face conversation, within one metre, or having skin-to-skin physical contact, or any contact within one metre for one minute or longer without face-to-face contact • A person who has been within 2 metres of someone who has tested positive for coronavirus (COVID-19) for more than 15 minutes • A person who has travelled in a small vehicle with someone who has tested positive for coronavirus (COVID-19) or in a large vehicle or plane near someone who has tested positive for coronavirus (COVID-19) • If other cases are detected at school, the local health protection team from Public Health England will be in touch to advise on appropriate action, such as asking more people to self-isolate. <p>NHS Test and Trace</p> <ul style="list-style-type: none"> • A record of all staff, students, and visitors using the workplace will be held, in a manageable way and in accordance with our Document Retention Policy, to assist with NHS Test and Trace requests for data, if needed, to stop the onward spread of the virus in the workplace and wider society. 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • The school will work with St Helens Council in relation to its Outbreak Management Plan to help contain any clusters of infection or outbreaks. • Chief Operating Officer will liaise with PHE where required, should there be more than one case of COVID-19 associated with the school (reported as a suspected outbreak). • Staff instructed that they must self-isolate whenever they receive a notification from the NHS Test and Trace service asking them to do so, following the NHS Test and Trace Workplace Guidance. If this happens on multiple occasions, Chief Operating Officer shall review social distancing arrangements to identify where improvements can be made. <p>Where staff believe the contacts that have triggered these notifications are school contacts, they should discuss with the Chief Operating Officer what further mitigating actions could be taken to reduce the risk of COVID-19.</p>		
Getting or spreading coronavirus by not cleaning surfaces, equipment and workstations	<ul style="list-style-type: none"> • Staff • Pupils • Contractors • Visitors <p><i>May become infected with COVID-19 by touching a surface or object</i></p>	<ul style="list-style-type: none"> • The school will work with its cleaning contractors to make sure they are using the guidance on cleaning and hygiene during the coronavirus outbreak from both the HSE and Government • An ongoing daily 'touch point' cleaning rota will be undertaken by the schools cleaning contractor to ensure that identified surfaces which are frequently touched and by many people (e.g. handrails, door handles, shared equipment, light switches etc.) are cleaning regularly throughout the day on hourly intervals to coincide with lesson changeover times. 		02/09/20

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
	<p><i>that has the virus on it, and then touching their mouth, nose, or eyes.</i></p>	<ul style="list-style-type: none"> • Sports equipment (for example rackets, footballs and goalposts) will be cleaned with disinfectant spray between users • Items that need laundering (e.g. towels, flannels, bedding) will be washed regularly in accordance with the manufacturer’s instructions, on the warmest water setting. These items will not be shared between children between washes. • Areas of the school that are used by pupils and/or staff will be cleaned thoroughly at the end of each day by the school’s cleaning contractor. • Each classroom, office and communal space will be supplied with an antibacterial spray and cloth for use as required by the staff using that room. • Antibacterial barrier spray will be used on IT equipment, as a preventative measure, each evening as part of the cleaning contractors daily clean. • If a person with coronavirus symptoms comes into school, a deep clean will take place in the areas that the person has been in, following decontamination guidance. • The school will make available information on how to put on and remove personal protective equipment (PPE) via its staff and parent newsletters. • Staff will be informed, through the staff bulletins and briefings, that they should avoid sharing work equipment and workstations or, where this is not possible inform the Site Manager so that cleaning 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<p>regimes can be put in place to clean between each user.</p> <ul style="list-style-type: none"> • The school will identify where it can reduce the contact of people with surfaces (e.g. by leaving open doors that are not fire doors - such as classroom doors, providing contactless payment for catering and using electronic documents rather than paperwork) and ensure that the following preferred alternatives are implemented: <ul style="list-style-type: none"> ○ Keeping all classroom doors wedged open ○ Keeping dining rooms wedged open ○ Keeping corridor doors on their fire release mechanism ○ Continuing to use cashless catering as payment for school meals • All staff will be asked, via briefings and the staff bulletin, to keep, where possible, surfaces clear of obstructions to ensure that they can be thoroughly cleaned. • Bins will be open topped (with the exception of medical waste and sanitary bins) and emptied daily, however cleaning staff will empty bins more regularly if they identify that a bin is full when undertaking daily cleaning of 'touch points' • Staff will be advised, via the staff bulletin and briefings, against bringing unnecessary personal belongings to work to prevent any 'cross contamination' 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • Pupils and staff will be informed, via briefings and parent newsletters, that they should not share stationery with anybody else. If a student or staff member requires stationery then Student Services can provide new stationery. 		
Spreading infection due to touch, sneezes and coughs	<ul style="list-style-type: none"> • Staff • Pupils • Contractors • Visitors <p><i>May become infected by coming into close contact with someone who has COVID-19, by respiratory droplets produced when an infected person coughs, sneezes, or talks; or by touching a surface or object that has the virus on it, and then</i></p>	<ul style="list-style-type: none"> • Good hygiene will be promoted to staff and students through <ul style="list-style-type: none"> ○ information posters around school and in toilets ○ daily reminders as part of morning briefings ○ reminders in staff and student newsletters • Good hygiene includes the following messages: <ul style="list-style-type: none"> ○ Frequently wash hands with soap and water for 20 seconds and dry thoroughly using NHS guidelines, or use alcohol-based hand sanitiser to cover all parts of hands ○ Clean hands on arrival, before and after eating, and after sneezing or coughing ○ Be encouraged not to touch mouth, eyes and nose ○ Use a tissue or elbow to cough or sneeze, and use bins for tissue waste • All classrooms, changing rooms, communal spaces and offices will have antibacterial hand wash stations 		02/09/20

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
	<i>touching their mouth, nose, or eyes</i>	<p>installed with staff and students asked to use them on entry to the room</p> <ul style="list-style-type: none"> • Supplies of soap, hand sanitiser, disposable paper towels and tissues are plentiful and will be topped up regularly and monitored to make sure they do not run out. • Each classroom, office and communal space will be supplied with an antibacterial spray and cloth for use as required by the staff using that room. 		
<p>Inappropriate use of Alcohol-based Hand Sanitisers or Hand Rub that contains at least 60% alcohol</p>	<ul style="list-style-type: none"> • Staff • Students • Parents & Carers • Visitors (ie, Contractors, Suppliers and support staff for pupils with SEND etc.)) <p><i>May cause alcohol poisoning if ingested and may be ineffective against the virus if used incorrectly.</i></p>	<ul style="list-style-type: none"> • COSHH Risk Assessment completed for use of hand rub/sanitizer within the school. • Non-perfumed, moisturising hand sanitisers provided throughout the site as per this risk assessment. • Hand sanitizer/hand rub will only be used where access to hand washing with soap and running water is not readily available and where hands are not visibly soiled. • Use of hand sanitizer by students will be monitored by staff. • Staff and students encouraged to report any adverse effects experienced with the use of hand sanitizer/hand rub, with advice sought from GP where serious reactions occur. 		02/09/2020

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
Contact Dermatitis, skin irritation, exacerbation of existing skin conditions	<ul style="list-style-type: none"> • Staff <p><i>May suffer contact Dermatitis, skin irritation or exacerbation of an existing skin condition, such as Eczema or Psoriasis, as a result of frequent hand washing and use of hand sanitizers.</i></p>	<ul style="list-style-type: none"> • Staff encouraged to regularly use moisturising hand cream to prevent skin from drying and cracking, and to report any skin conditions or new skin symptoms (i.e., Psoriasis or Dermatitis) affecting the hands as a result of frequent handwashing. • Mild, non-scented, moisturising soaps and hand sanitisers provided and used, wherever possible. • Access to the Council's Occupational Health Advisor for further advice on skin care/monitoring (where signed SLA established). 		02/09/2020
Contracting or spreading the virus by not social distancing	<ul style="list-style-type: none"> • Staff • Pupils • Contractors • Visitors <p><i>May become infected by coming into close contact with someone who has COVID-19, by respiratory</i></p>	<ul style="list-style-type: none"> • A prescribed classroom layout will be implemented in all classrooms with staff asked to ensure this is maintained – <ul style="list-style-type: none"> ○ Standard classrooms – all desks, with 2 x chairs per desk, facing towards the screen / whiteboard with a gap between each desk. ○ Food Tech rooms – All benches, with 2 x chairs per bench, facing towards the screen / whiteboard with a gap between each desk. ○ Science labs – All students sat behind the fixed benching with stools positioned a metre apart. 		02/09/20

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
	<p><i>droplets produced when an infected person coughs, sneezes, or talks; or by touching a surface or object that has the virus on it, and then touching their mouth, nose, or eyes</i></p>	<ul style="list-style-type: none"> • Teachers should, where possible, teach from the front of the classroom next to an open window, maintain a two metre distance from other staff and students and stand at 45 degrees to the students. • Y7 to Y11 students will enter the site via the main gates as due to their staggered arrival social distancing will be automatically employed. • Y7 to Y11 students will leave site as follows: <ul style="list-style-type: none"> ○ A bell and announcement will sound at 3:08pm indicating that anybody in a first floor classroom should make their way out of school <ul style="list-style-type: none"> ▪ Y10 &11 will use the 'pond side' pedestrian path to exit site ▪ Y7-Y9 will use the main gates and central footpath in the middle of school to exit site ○ A further bell, of a differing sound to the first, together with an announcement will sound at 3:12pm indicating that those in a ground floor classroom may make their way out of school <ul style="list-style-type: none"> ▪ Y10 & 11 will use the 'pond side' pedestrian path to exit site ▪ Y7-Y9 will use the main gates and central footpath in the middle of school to exit site • Sixth Form will enter and exit the site via the Sixth Form doors only. 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • Staff will enter and leave via the main entrance only. • One way systems will be employed in blocks where practicable and these will be clearly sign-posted for students and staff to follow. • A 'keep left' policy will be employed around the school site, both internally and externally, for all staff and students. • Signage (banners, posters and floor stickers) will be displayed around the site to remind staff and students to socially distance in line with the government's 'Hand's, Face, Space' awareness campaign. • Announcements will be made throughout the day, using the school's tannoy system, reminding staff and students to socially distance. • A laminated 'daily reminder card' containing key messages for staff and students will be displayed on each teacher's computer screen to reinforce key daily hygiene and distancing messages. • Year-group assemblies will not take place until 2021, virtual alternatives shown in form rooms will instead be employed. • Whole staff meetings/training will not take place until 2021, instead any meetings or training will take place on a carousel basis utilising appropriate sized and ventilated rooms. 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • Staff will be encouraged to hold meetings with external agencies virtually rather than bringing visitors onto site. • Given the decrease in the prevalence of Coronavirus (COVID-19) and the resumption of a full range of curriculum subjects, students will be organised into full year group-sized groups, Staff will use their best endeavours to ensure each year group is kept separate at all times in the day, to minimise contact and mixing with other year groups. • Year groups will be asked not to interact with each other whilst on the school site, with maps displayed around the site denoting year group zones that students are allowed into during break and lunch. • Lesson changeover will operate as follows: <ul style="list-style-type: none"> ○ A bell and announcement will sound 2 x minutes ahead of the lesson changeover time indicating that anybody in a first floor classroom should make their way to their next lesson ○ A further bell, of a differing sound to the first, together with an announcement will sound at the listed changeover time indicating that those in a ground floor classroom may make their way to their next lesson <p>The measures above will alleviate pressure on stairwells and facilitate social distancing during lesson changeover.</p>		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> • Break time will operate as follows: <ul style="list-style-type: none"> 10:55am to 11:03am (8 minutes) <ul style="list-style-type: none"> ○ Year 7 will use Dining Room A ○ Year 8 will use Dining Room B 11:03am to 11:10am (7 minutes) <ul style="list-style-type: none"> ○ Year 9 will use Dining Room A ○ Year 10 will use Dining Room B • Year 11 will use the external hatch for the duration of break • Sixth Form students – will access the Bistro only: <ul style="list-style-type: none"> ○ Year 12 – 10:55am to 11:03am (8 minutes) ○ Year 13 – 11:03am to 11:10am (7 minutes) <p><i>Cleaning between different year groups using the dining rooms at break will not be necessary as the break time offer is a 'grab and go' offer only</i></p> <ul style="list-style-type: none"> • Lunchtime will operate as follows: <ul style="list-style-type: none"> 12:10pm to 12:30pm <ul style="list-style-type: none"> ○ Year 7 will use Dining Room A ○ Year 8 will use Dining Room B 12:30pm to 12:50pm <ul style="list-style-type: none"> ○ Year 9 will use Dining Room B ○ Year 10 will use Dining Room A 12:50pm to 1:10pm <ul style="list-style-type: none"> ○ Year 11 will use Dining Room B • Sixth Form students – will access the Bistro only: 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<ul style="list-style-type: none"> ○ Year 12 – 12:10pm to 12:30pm ○ Year 13 – 12:30pm to 12:50pm <p><i>Table and chair surfaces, in addition to ‘touch points’, will be cleaned between different year groups using the dining rooms.</i></p> <ul style="list-style-type: none"> • Students and staff will be told that they must sit at least one metre apart from each other in the Dining Rooms, with those staff on duty asked to remind people of this. • Each year group will be allocated a third of the 3G pitch during lunchtime to play non-contact football if they wish, otherwise they will be directed to use the relevant year group zone as indicated on the maps displayed around site. • The student toilet block will be used to half capacity and managed by the Toilet Attendant on duty with those waiting being outside at a safe distance. • Perspex screens are in place in both reception areas and in ‘Refelction’. • Changing rooms will be limited to 20 people using them at any one time and therefore a ‘rota’ system for getting changed for PE lessons will be employed. • Offices will, if required, be re-arranged to ensure staff are a minimum of one metre away from each other, although we will strive for a minimum distance of two metres where possible. Where it is not possible to move workstations further apart, barriers or screens 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<p>will be used to separate staff from each other or staff will work side by side or facing away from each other rather than face-to-face.</p> <ul style="list-style-type: none"> • In relation to the lift in S-Block, the maximum occupancy will be reduced to 2, the lift operating controls will be frequently cleaned and hand sanitiser will be adjacent to lift landings/lobbies. • Areas in use will be well ventilated by: <ul style="list-style-type: none"> ○ Keeping all classroom doors wedged open ○ Keeping dining rooms wedged open ○ Keeping corridor doors on their fire release mechanism ○ Opening all windows in areas that are being used ○ Using fans to facilitate the direction of airflow, if required • Behaviour Policy has been updated to reflect the new protective measures and new rules and routines. This includes appropriate consequences (such as sanctions and rewards), so that staff can ensure students understand them and can enforce them rigorously. 		
Inadequate First Aid Facilities, Personnel and Equipment and	<ul style="list-style-type: none"> • Staff • Students • Visitors • Designated First Aiders 	<ul style="list-style-type: none"> • First aid arrangements have been reviewed with an additional room away from the main office and separate to the first aid room being used for anyone who is suspected of having symptoms of Coronavirus. 		02/09/2020

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
Information for First Aiders	may not receive immediate first aid treatment due to insufficient first aid facilities, personnel and equipment; and First Aiders may become infected through close contact with casualties infected with COVID-19 or spread infection through poor hygiene practices	<ul style="list-style-type: none"> • First aiders have been briefed regarding procedures and PPE in relation to treating someone who is believed to have symptoms of Coronavirus. • First aid needs assessment reviewed to determine adequate and appropriate equipment, facilities and personnel to ensure staff, and students receive immediate attention if they are injured or taken ill. • There will always be at least one person with a valid First Aid at Work or Emergency First Aid at Work certificate available within the school. • Standard Infection Prevention and Control Procedures (i.e., maintaining good hand, respiratory and personal hygiene, cleaning of potentially contaminated surfaces) followed at all times by First Aiders to protect themselves and others and limit the risk of spread of COVID-19. • Contact and time sharing a breathing zone with casualties potentially infected with COVID-19 to be limited as much as possible, with casualties directed to do things for themselves where possible avoid touching them, their immediate environment and any waste • PPE provided and used by first aiders as necessary (i.e., fluid resistant surgical mask, disposable gloves, disposable apron (and goggles or visor where the risk of splashing is present). • The use of chest compressions only will be performed by First Aiders should cardiopulmonary resuscitation (CPR) be required. No rescue breaths 		

What are the hazards?	Who might be at Risk	Current control measures	Any additional control measures required	Date implemented
		<p>or mouth-to-mouth ventilation will be performed. Where First Aiders have access to an AED, then this will be used, as using these carry no risk of virus spread.</p> <ul style="list-style-type: none"> • Chief Operating Officer to share with first aiders the latest NHS advice on how to respond to a first aid incident and the Resuscitation Council's guidance on COVID-19 in relation to CPR and resuscitation in first aid and community settings, when dealing with first aid incidents during the outbreak.. • Guidance provided to first aiders on how to respond to a first aid incident during the Coronavirus COVID-19 pandemic, including specific instructions on giving Cardiopulmonary Resuscitation (see and specific guidance on giving cardiopulmonary resuscitation (CPR) from the Resuscitation Council UK. 		
<p>Inadequate provision, handling or use of Personal Protective Equipment (PPE)</p>	<ul style="list-style-type: none"> • Staff • Students <p><i>May become infected with COVID-19 due to a lack of suitable PPE when undertaking direct care, incompatibility of PPE, lack of</i></p>	<ul style="list-style-type: none"> • Appropriate PPE will be provided and worn by supervising staff should a student become unwell with symptoms of Coronavirus while in the school and need direct personal care until they can return home. These include: <ul style="list-style-type: none"> ○ a fluid-resistant surgical face mask, if a distance of 2m cannot be maintained; ○ a fluid-resistant surgical face mask, disposable gloves and a disposable plastic apron if physical contact with the student is necessary. ○ eye protection (i.e., face visor or goggles) where a risk assessment determines that there is a risk 		<p>02/09/2020</p>

		Person, to determine the whether there are steps that can be taken to safely continue to use equipment (that has not had its scheduled thorough examination and testing) or decide to stop using the equipment.		

It should be noted that face masks, visors and gloves are available (from Main Reception) for any member of staff who wishes to make use of them.

Whilst designated as a Tier 2 or 3 area - it is **mandatory** that a face covering be worn during lesson changeover and in indoor communal spaces (if social distancing is hard to achieve). If staff would like to wear a face covering during lessons, it is requested that this be a visor (not a mask) due to the school having a number of deaf students who need to be able to lip read. Anybody with a medical exemption will not be expected to wear a face covering.
