School Complaints

School Complaints

Where do I begin?

Whether you are a parent or a member of the public, the place to start is the school. Follow the stages in the document. It is much better if matters can be resolved within the school, even if this might feel rather awkward at the beginning.

Aims

Stephenson Multi Academy Trust (and Rainhill High School as part thereof) aims to meet its statutory obligations when responding to complaints from parents of pupils at the Trust. This complaints procedure is not intended to replace the normal discussions regarding problems and concerns which take place on a day to day basis. When responding to complaints, we aim to:

- Be impartial and non-adversarial.
- Facilitate a full and fair investigation by an independent person or panel, where necessary.
- Address all the points at issue and provide an effective and prompt response.
- Respect complainants' desire for confidentiality.
- Treat complainants with respect.
- Keep complainants informed of the progress of the complaints process.
- Consider how the complaint can feed into school improvement evaluation processes.

The Trust will try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed.

The Trust will aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, the Trust will ensure we publicise the existence of this policy and make it available on the school website.

Legislation and guidance

This document meets the requirements of part 7 of the Education Regulations 2014, which governs academy complaints procedures.

Scope

The Trust intends to resolve complaints informally where possible, at the earliest possible stage.

There may be occasions when complainants would like to raise their concerns formally. This policy outlines the procedure relating to handling such complaints.

This policy does not cover complaints procedures relating to:

- Admissions
- Statutory assessments of special educational needs (SEN)
- Safeguarding matters
- Exclusion
- Whistle-blowing
- Staff grievances
- Staff discipline
-

These matters are already provided for by existing statutory procedures, copies of which are available on the school website. Arrangements for handling complaints from parents of children with SEN about the school's support are within the scope of this policy.

Complaints about services provided by other providers who use school premises or facilities should be directed to the provider concerned.

Principles for investigation

When investigating a complaint, we will try to clarify:

- What has happened
- Who was involved
- What the complainant feels would put things right.

We also intend to address complaints as quickly as possible. To achieve this, realistic and reasonable time limits will be set for each action within each stage.

Where further investigations are necessary, new time limits will be set, and the complainant will be sent details of the new deadline with an explanation for the delay. The Trust expects that complaints will be made as soon as possible after an incident arises. The Trust will consider exceptions to this where there were valid reasons for not making a complaint at that time and the complaint can still be investigated in a fair manner for all involved.

Anonymous complaints

The Trust will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

Staff conduct

Complaints about staff will be dealt with under the Trust's internal disciplinary procedures, if appropriate. Complainants will not be informed of any disciplinary action

taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.

Social media

In order for complaints to be resolved as quickly and fairly as possible, Stephenson Multi Academy Trust requests the complainants, do not discuss complaints publically via social media such as Facebook and Twitter. Complaints will be dealt with confidentially for those involved, and we expect complainants to also observe confidentiality. Defamatory, offensive or otherwise inappropriate comments on social media will be reported to the appropriate authorities.

Complaint campaigns

A complaint campaign can be defined as:

- The Trust receiving a number of complaints all based on the same subject.
- The Trust receiving multiple complaints from complainants unconnected to the Trust.

In the event of a complaint campaign (as defined above), the Trust will not respond to each complaint individually but will either:

- send a template response to all complainants or
- publish a single response on the school's website

Individual staff and pupils will be entitled to have their point of view heard if they are being complained against, and their rights will be respected at all times.

The outcome of the investigation into a

general complaint will be put into writing, indicating the reasons for the decision and what further action (if any) will be taken by the school, e.g. a change of policy or procedures.

We will listen to your concerns. If we get it wrong, we will say sorry.

Stages Involved

- 1 Staff Concerned**
- 2 Senior Leadership Team**
- 3 Headteacher**
- 4 Governors' Complaints Panel**
- 5 Trustees Complaints Panel**

Guidance Education Skills + Funding Agency (ESFA)

At all stages, there is a requirement to put your complaint in writing.

Please do not bypass any of the stages involved. It will only delay your complaint being heard.

Stage 1

You express your complaint informally in writing, i.e. an email or letter to the member of staff concerned.

You will receive a verbal response within five school days. This can be extended if the complainant is notified.

Is a satisfactory outcome reached?

Yes	No further action	No	Move to Stage 2
-----	-------------------	----	-----------------

Please note, if in the first instance you address your complaint to a Governor or Trustee, the next step would be to refer the complaint to the appropriate person. Governors and Trustees cannot act outside of this policy as they may be needed to sit on a panel at a later stage.

Stage 2

Complainant puts their concerns in writing within five days of being notified of the outcome of Stage 1.

Complaints must be addressed to:

Curriculum & Options: Mr Tony Cunningham (Deputy Headteacher)

Post 16: Mr David Hemsley (Assistant Headteacher)

Behaviour, Pastoral & SEN: Mrs Linsay Munro (Deputy Headteacher)

Achievement: Mrs Wendy Segal (Deputy Headteacher)

Any complaint relating to the Headteacher must be raised in the first instance with the Chair of Governors (or Vice-chair in the absence of the Chair) who will, if an informal resolution cannot be reached, designate a Governor to investigate in the same way as outlined above. Where a complaint is against the Chair of Governors or any member of the Governing Board, it should be made in writing to the Clerk to Trustees in the first instance.

You will receive an acknowledgement in writing within five school days, and an investigation is then undertaken. You will be notified of the outcome in writing within ten school days or interim.

Is a satisfactory outcome reached?

Yes	No further action	No	Move to Stage 3
-----	-------------------	----	-----------------

Stage 3

If the matter cannot be resolved after Stage 2 then you (the complainant) should put the complaint in writing by post or by e-mail (loraine.potter@rainhillhigh.org.uk) briefly setting out the facts and stating what it is that you consider the school should have done or where the school has not met reasonable expectations. This should be within 5 school days of the Stage 2 outcome.

An investigation will be carried out by the Headteacher or a designated member of the senior leadership team (provided they have not been involved up to this point). The scope of the investigation will be documented to ensure that all aspects are covered. The investigator will offer the complainant a meeting to confirm/clarify the reason for the formal complaint and will speak to others involved. Wherever reasonably possible, the meeting with the complainant will take place within 10 school days of the written complaint being received.

Following the meeting, the investigator will put their findings in writing and will indicate what, if any, steps should be taken to resolve the matter. Whenever reasonably possible, this will be done within 15 school days of the meeting with the complainant.

Any complaint relating to the Headteacher will be investigated by the Chair (or Vice Chair) of Governors if it has not been resolved at Stage 2, likewise – any complaint regarding the Chair of Governors or a member of the Governing Body will be investigated by the Chair (or Vice Chair) of Trustees if not resolved at Stage 2.

Is a satisfactory outcome reached?

Yes	No further action	No	Move to Stage 4
-----	-------------------	----	-----------------

Stage 4

The complainant writes to the Chair of Governors in writing within 5 school days of the outcome of Stage 3.

The letter should be addressed to the Clerk to the Governors (FAO the Chair of Governors) or e-mailed to loraine.potter@rainhillhigh.org.uk (FAO the Chair of Governors) and must set out briefly the reasons why the complainant is dissatisfied with the Stage 3 response.

A review panel will then be set up - The review panel will consist of a minimum of 3 members of the governing board and an independent member who is not involved with the management and running of the school. These individuals will have access to the existing record of the complains process but will have no prior knowledge or involvement pertaining to the complaint.

A letter of acknowledgement will be sent to the complainant within 10 school days. Within 15 school days of receipt of the complainant's letter, the Clerk will convene a meeting of the Governing Body Complaints Panel together with the complainant and relevant representatives of the school. That meeting will be held as quickly as practicable, given the need to find a date that is reasonably convenient for the complainant, the school and the members of the Panel. At any meeting, the complainant will be entitled to be accompanied by another individual (by prior approval of the Governing Body Complaints Panel) but legal representation will not be allowed. In certain circumstances, the governors may refuse a request for a particular individual to attend any such meeting, for example, if there is a conflict of interest.

The meeting is not a court case and will be as informal as circumstances allow. The complainant will have the opportunity to put her/his reasons for dissatisfaction and to enlarge on them but may not introduce reasons that were not previously put in writing. The school will have the opportunity to put its side of things and each side, as well as the Panel members, will be able to ask questions. The complainant will have the opportunity to make final comments to the Panel.

The Panel will make findings and recommendations and a copy of those findings and recommendations will be - sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about - available for inspection on the school premises by the Trustees and the Headteacher.

The Panel will formulate its response as quickly as reasonably possible, aiming to do so within 10 school days of the hearing taking place, and the Clerk to the Governors will notify all concerned.

If a complainant tries to reopen the same issue, the Chair of Governors may write to the complainant to inform him/her that the procedure has been completed and the matter closed.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing.

Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under part 7 of the Education Regulations 2014, which governs academy complaints procedures.

The letter should be addressed to the Clerk to Trustees (FAO the Chair of Trustees) or e-mailed to loraine.potter@rainhillhigh.org.uk (FAO the Chair of Trustees) and must set out briefly the reasons why the complainant is dissatisfied with the Stage 4 outcome.

A review panel will then be set up - The review panel will consist of a minimum of 2 members of the Board of Trustees and an independent member who is not involved with the management and running of the school. These individuals will have access to the existing record of the complains process but will have no prior knowledge or involvement pertaining to the complaint.

Guidance

The role of the ESFA

The ESFA can support academies to achieve a compliant procedure, but it is the responsibility of academy trusts to make sure that their complaints procedure is fully compliant. Our responsibility is to ensure academies comply with their funding agreements. If a complaint comes to us, we will check whether the complaint has been dealt with properly by the academy. We will consider complaints about academies that fall into any of the following three areas:

- 1. Where there is an undue delay, or the academy did not comply with its complaints procedure when considering a complaint.**
- 2. Where the academy is in breach of its funding agreement with the Secretary of State.**
- 3. Where an academy has failed to comply with any other legal obligation.**

We will not overturn an academy's decision about a complaint.

However, if we and an academy did not deal with a complaint appropriately, we will request the complaint is looked at again and procedures meet the requirements set out in the Regulations. If the academy's complaints procedure does not meet the regulations, we will ask the academy to put this right.

We may seek to enforce the decision under the terms of the funding agreement on behalf of the Secretary of State, if appropriate.

Unreasonable Complaints/Complainants

Stephenson Multi Academy Trust (and Rainhill High School as part thereof) is committed to dealing with all complaints fairly and impartially, and to provide a high quality service to those who complain. We will not normally limit the contact complainants have with the school.
