VISITS

RAINHILL HIGH SCHOOL

Friday 18th June 2021

Dear Parents and Students,

Good afternoon – I hope this newsletter finds you safe and well.

It has been a busy week, especially for our Year 10 students...

This week we met Richard McCann, he is a motivational speaker with a fascinating story. Year 10 and Year 11 students enjoyed their time with him and learned a lot about character and resilience.

Looking forward we are seeking parents, teachers and friends to join our PTFA, full details are on page 3, we would love to hear from you.

Wednesday is national Thank a Teacher Day, it would be great to see messages from parents, pupils and colleagues to remind everyone what an important job that teachers do, day in day out.

Year 10 will be attending Mock Interviews as part of their careers' education starting 29th June and prior to this, will become part of our Sixth Form for the day on Tuesday 22nd June.

I would remind all parents of the forthcoming Year 12 and Year 7 exams, please encourage your child to prepare.

I would be grateful if parents who disagree with the proposed school day for Sept 2021, would fill in the brief questionnaire on page 5. In order to help and support parents, I have enclosed details of parental workshops from St Helens Council who are running the online events for parents and carers regarding the 'In' in Inclusion. Information regarding the event is on page 10.

I also would like to reiterate the importance of continuing with twice weekly testing and reporting the results of those tests via the process outlined in this newsletter on pages 13 and 14.

Have a lovely weekend.

Mrs Thorogood, Headteacher.

NEWS THIS WEEK

INVITE TO JOIN OUR NEW PARENT, TEACHER AND FRIENDS ASSOCIATION (PTFA)

Rainhill High School are launching an exciting opportunity to make a real difference... a PTFA to enhance links between home, school and the community and support key fundraising drives to provide enrichment opportunities and resources that make the pupils learning experiences more fulfilling and exciting, thereby bringing staff, parents and friends together socially in support of a common cause.

The 'F' in PTFA stands for 'friends', which means that anyone with a connection to the school is also very welcome, e.g. grandparents and members of the local community.

The 'friends' of Rainhill High will also provide a valuable resource for 'parent voice' when we want to consult with the community regarding proposed changes and developments across the school.

It is anticipated that the PTFA will meet once every half term, with meetings being friendly & informal. Commitment to the PTFA can flex around what you are able to provide, with core Committee members devoting more time and those who have a limited amount of time, perhaps only helping with the events they are available for; whatever you can give would be greatly appreciated!

We anticipate the Core Committee being made up of the following 10 x positions, which ideally will be drawn from each year group in the school:

- Chair
- Vice Chair
- Treasurer
- Secretary
- 6 committee members

The wider PTFA will be unlimited in number as we would appreciate all the help we can get!

For the PTFA to thrive and develop, it needs involvement & support. If you are interested in joining the 'core Committee' or wider PTFA group, please email PTFA@rainhillhigh.org.uk with the following details:

- Your name
- Relationship to the school (*e.g. you have a child in Year x, you are a local resident, you are a member of the Parish Council etc.*)
- A brief summary of why you want to join the PTFA
- Whether you would prefer to be considered for 'core Committee', wider PTFA (depending on the time you have available!) or either

Register of interests should be emailed by Friday 25th June 2021.

We plan to get the committee formed and have our first meeting before the end of this school year.

Mr Owens, Chief Operating Officer.

[YEAR 10 TO YEAR 11 TRANSITION DAY - GUEST SPEAKER EVENT WITH RICHARD McCANN](#)

As part of our Year 10 to Year 11 Transition programme, we welcomed Richard McCann to the school this week. Richard led an assembly and worked with small groups of pupils throughout the day, before speaking for staff after school.

Richard's story is inspirational; as a five-year-old, his world was torn apart when his mother, Wilma McCann, became the first victim of the Yorkshire Ripper, Peter Sutcliffe. His life after this was marked with tragedy, trauma and a period of dabbling with drugs and prison. However, he is now living proof of the ability we all 'can' achieve whatever we want to do in life; as a motivational speaker and family man, he has delivered presentations around the world sharing his 'iCan' approach and helping young people to overcome adversity and find their voice with confidence.

Our Year 10 students thoroughly enjoyed the assembly, and feedback from the workshops was positive too as our pupils were challenged to do something they thought they would never be able to attempt.

Further transition activities will follow in the next few weeks as we support our Year 10 students to move to Year 11 with the tenacity, grit and determination to be the best that they can be.

Mrs Segal, Deputy Headteacher.

YEAR 10 MOCK INTERVIEW DAYS

On Tuesday 29th June and Thursday 1st July, we will be running Mock Interviews for our Year 10 students in school.

We are looking for people from a range of employers who could support us by giving up some time on either or both days to conduct some interviews with a number of students.

The interviews will be 10 minutes long and we want them to have a professional feel to give our students an indication of what to expect in the world of work. Each student will then be given feedback on what they did well and how they could potentially improve.

If this is something you could help out with, please contact the school at mailmgr@rainhillhighschool.org.uk and Mr Roberts will get back to you with more information. **We would particularly like to hear from parents who could help with interviews on Thursday 1st July.**

NATIONAL THANK A TEACHER DAY

Pupils, parents and colleagues can send a FREE limited edition Axel Scheffler [e-card](#) - with special thank you messages being read out by secret celebrities on the day. The school with the most thank you messages will be announced on the day – entries close at midnight on Tuesday 22nd June so get those thank you messages in now!

You can find on-the-day activities as well as campaign assets to promote the day [here](#).

ADVERTISE HERE

Would you like to promote your business in our school newsletter whilst at the same time supporting Rainhill High School?

Our electronic parent newsletter reaches up to **2000 local people every week**, including parents and other school stakeholders and we would like to give you the opportunity to advertise in it! Adverts can be A4, A5 or A6 in size and we can support you with the design work required.

All of the proceeds we raise from this advertising opportunity will be going towards books and furniture for our brand new school library, which is opening in September 2021.

If you are interested- email ben.simpson@rainhillhigh.org.uk for further information and/or to reserve a space for your advert. **Hurry as space is limited!**

YEAR 10 TASTE OF SIXTH FORM

TASTE OF SIXTH FORM

On Tuesday 22nd June 2021 all students in Year 10 will have the opportunity to get a taste of what being a sixth form student is like. In preparation for the day, students will select 4 subjects to sample with the aim of finding out more about the subjects they are considering studying in the future.

During the day students will have exclusive use of the facilities as neither Year 12 nor Year 13 sixth form students will be in college. As we are giving students the opportunity to be sixth formers for the day they are not required to wear normal school uniform but should instead attend wearing smart, casual clothing.

The Sixth Form Bistro will be available for their break time drinks and snacks and for lunch time dining or if preferred, students can bring in their own lunch. We will permit them to go off-site to use the local shopping amenities during the lunch break. It goes without saying that we expect behaviour and student engagement to be exemplary throughout the day

The day will finish at the normal end of school day, 3:10pm.

We hope that Year 10 students will take full advantage of a very insightful and informative day to enable

them to make wise and informed choices regarding their future academic and personal aspirations.

As a Sixth Form we have very high expectations of every student who attends and celebrate the diversity of personalities, skills and abilities young people bring to enrich our sixth form community of which, we and all the Sixth Form staff excitedly welcome Year 10 pupils into.

ST HELENS INCLUSION CONFERENCE - THE 'IN' IN INCLUSION

Wednesday 23rd June 2021

St Helens Council are running an online event for parents and carers regarding the 'In' in Inclusion. The conference will consider what inclusion is and what this means for children, young people and their families, and how the pandemic might shape our thinking about inclusion.

The conference will take place on Wednesday 23rd June between 5-6pm and 6:30-7:30pm and details of each session are below.

Please email mailmgr@rainhillhigh.org.uk if you are interested in attending the session. We will then forward you the link to join the online session the day before the event.

TIMINGS	PRESENTER/SPEAKER	AUDIENCE	DESCRIPTION
5:00pm - 6:00pm	<p>Mr. Steve Brizell, Superintendent, Community Policing, St. Helens.</p> <p>Mr. Steve Brizell has 26 years' experience in policing across Merseyside and St Helens. As the current Area Commander for St Helens, he is directly involved in delivering the policing response across St Helens.</p>	Parents, Carers and young people.	<p>This session will be Q&A dealing with local issues and concerns; police responses; what risks are posed to our young people particularly those who feel excluded and what you can do to help. Steve has asked people to send in questions ahead of time so that he can respond to live concerns. You can do this via the event organiser on the booking page or send them to: virtualschoolforsthelens@sthelens.gov.uk</p>
6:30pm - 7:30pm	<p>Carla Coley and Heidi Pannell presenting</p> <p>Walking Together is an organisation specialising in working with traumatised children and those with attachment difficulties in the North West of England. This includes those who have been adopted, are under Special Guardianship or kinship care arrangements, those living with birth parents and those who are in foster care. Walking Together provides tailor-made therapeutic packages of support to children and their families/carers. We provide regular therapeutic parenting training programmes to parents and carers and support to professionals through advice, consultation and training.</p>	Parents, Carers and young people.	<p>Theraplay is a child and family play based therapy which enhances the security of attachments between adult and child and builds on the emotional connection thereby building trust, confidence and self-esteem. Theraplay is based on the natural patterns of playful, healthy interactions between a parent and an infant, and sessions involve a child and parent playing simple connecting games together. Through this process the child experiences joyful engagement, internalises positive messages about themselves and learns to let go, relax and build trust in parents. Theraplay helps children accept deep care, attention and nurture from their parents/carers and this enables them to heal early hurts and fill unmet needs. Theraplay for professionals can provide key skills to help build positive relationships with children, help with peer relationships, and help build self-esteem and feelings of safety within the classroom and when reintroducing professional involvement post COVID. Theraplay is great at supporting positive connections and provides practical ways to support families both face to face and virtually.</p>

YEAR 12 LEARNING PROGRAMME – ASSESSMENT WEEK 3

Friday 18th June to Thursday 24th June 2021 (inclusive)

From Friday 18th June to Thursday 24th June 2021 (inclusive), all students in Year 12 will be undertaking assessments in the subjects they are currently studying. For both A-level and BTEC subjects, these assessments will be based on past paper questions and indeed complete papers, and will be taken under exam conditions to best prepare your son/daughter for final examinations in May/June 2022.

Please see below the exam timetable so your son/daughter is aware of when their examinations take place. All morning exams will start as soon as possible at 9:00am. It is vital that your son/daughter reports to the Arts Theatre at 8:50 am to ensure we have a 9:00am start.

Afternoon examinations commence at 1:10pm. Your son/daughter should report to the Arts Theatre immediately from form-time.

Please could you encourage and support your son/daughter to prepare thoroughly for these exams as they will give them a good indication of the progress they have made to date and whether they will be allowed to progress into Year 13.

The Sixth Form will be providing revision guidance sessions during tutorial periods to ensure your son/daughter can prepare effectively for these important exams. In addition, there is an expectation that your son/daughter will attend their study+ sessions and use this time to effectively prepare.

4. Homework is revision and preparation for the examinations.

CORONAVIRUS INFORMATION AND GUIDANCE

COVID-19 TESTING

Dear Parent/Carer,

You have no doubt heard much in the media regarding the Delta variant of COVID-19, which is pushing up infection numbers across the UK, particularly in some neighbouring counties.

Whilst we are encouraged to hear that the link between infection and hospitalisation appears to have been broken by the vaccination drive, we would nevertheless reiterate the **importance of continuing with twice weekly testing** and reporting the results of those tests via the process outlined later in this newsletter.

If you would like your child to be tested, by a trained member of staff, at school instead of at home then please email your child/children's name and form to covid@rainhillhighschool.org.uk and let them know that testing takes place on a Monday and Thursday morning between 8:15am and 8:50am in our test centre (Gym). You do not need to await a confirmation email, once you have informed us you would like your child to be tested at school, then they may attend the test centre at the aforementioned times.

Thank you.

Mr Owens, Chief Operating Officer.

COVID-19 TESTING FOR STUDENTS

Testing of students

- Students should continue to self-test **twice per week** and follow the guidance below regarding reporting your result.
- If you would prefer your child's testing to be done in school then please email covid@rainhillhighschool.org.uk starting their name and form.
- Comprehensive guidance on self-testing is contained in the 'Instructions for Use' leaflet, which comes with the test kit.
- LFD test kits for students will be replenished every 3 x weeks – they will be handed out in form time and should only be used by the student they are handed to; family members are able to get test kits from local testing centres and pharmacies.

RESULTS OF LFD COVID TEST

If negative –

- You need to report the outcome of the test via testregister.co.uk/login
- You can continue to attend school (work).

If positive –

- You need to report the outcome of the test via testregister.co.uk/login
- You will need to inform school and self-isolate in line with the stay-at-home guidance.
- Your household members must isolate for 10 days as well.
- You will also need to arrange a polymerase chain reaction (PCR) test to confirm the result. If this PCR test result is negative, and you have no symptoms of COVID-19, you and your household can stop isolating.

Why take part?

Taking part in testing is voluntary and all students will be able to attend school/Sixth Form whether they take part in testing or not. We would strongly encourage all students to take part. Testing at home will allow your child and other students to attend school/Sixth Form as safely as possible. Please contact myself, as our COVID Coordinator, if you have any questions or concerns about home testing – COVID@rainhillhighschool.org.uk Thank you for your support.

CONTACT TESTING

Rainhill High School and Sixth Form will be taking part in a new study called “Daily Contact Testing” which is being run by the Department for Health and Social Care through NHS Test and Trace.

Normally, when we find a person in a school or college has COVID-19, the whole group of people that have been in close contact with that person have to go home and self-isolate for 10 days to stop the virus spreading. This can mean lots of people miss time in school or college, but it is important to do this to protect the other people in school and at home.

This study will test if students and staff can continue to come to school safely after they have been in close contact with a person who is positive for COVID-19, by testing them daily for 7 days with rapid tests. Each day the test is negative **they will be able to take part in school activities only**, they will need to continue self-isolating when not at school. Prevention measures intended to reduce transmission – LFD is an additional tool that contributes to reducing risk.

COVID ISOLATION - UPDATE

The person who has COVID – isolates for 10 days starting the day after symptoms started or, in the absence of symptoms, the day after the positive test.

Non-Household ‘Contacts’ – isolates for 10 x days starting the day after the last time the person was in contact with the ‘infected person’ during their infectious period.

Guidance for contacts of people with confirmed coronavirus (COVID-19) infection who do not live with the person

Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection

FACEMASKS

The Government has updated its guidance regarding facemasks, which takes effect from Monday 17th May.

“From 17th May, in line with Step 3 of the roadmap, face coverings will no longer be recommended for pupils in classrooms or communal areas in all schools. Face coverings will also no longer be recommended for staff in classrooms. In all schools we continue to recommend that face coverings should be worn by staff and visitors in situations outside of classrooms where social distancing is not possible (for example, when moving around in corridors and communal areas).”

Regarding transport to and from school - *“Children and young people aged 11 and over must still wear a face covering on public transport. In accordance with advice from PHE, they must also wear a face covering when travelling on dedicated transport to secondary school or college. This does not apply to children and young people who are exempt from wearing face coverings.”*

Mr Owens, Chief Operating Officer.
